

## KNOW US

Rifino rice mills (pvt) Ltd. Embarked on its journey in 2007. Since then it has been treating every milestone achieved as a stepping stone to go past another one. In the past one decade we have achieved tremendous growth. Our company is an ISO 9001-2008, ISO 22000-2005 certified. We are young, fast growing rice miller and exporter located at G.I. Road Sadhoke Distt. Gujranwala, Punjab, Pakistan. Now we have "state of the art" milling plants having capacity of 10MT/hour with latest technology to meet out the customer's requirement and satisfaction. The key to success of the company is to feed the customer with uncompromised quality and uninterrupted supply at the competitive prices. We are equally committed enhancing our capacities and introducing the latest milling techniques to the rice industry. Rifino rice mills has emerged as an enterprise with very strong and dynamic fundamentals. Rifino rice mills today is one the renewed name is global directory of rice manufacturers and exporters across the world.

## VISION

"Winning the faith our clients is our main aim. Providing clients with optimum quality Agro based products and best of after sales services are our prime concerns. We observe complete transparency while doing business and have developed healthy business relationship with our business partners and clients all over the world."

"To rise as a top-notch global exporter by providing wide range of high quality Pakistani Agro commodities under-one-roof and thereby enrich Pakistan commodities with irresistible quality for world to enjoy".

## MISSION

To provide the highest quality, hygienic, fresh Agro based product and food grains to our customers at fair prices. Quality creates value and we make the difference. We understand the value of services. The company prides itself on developing products, which exceed market expectations.

For us quality is the key to success and we are empowered with all aspects of delivering it. By hi-quality executions we have reached a high level of recognition. We manufacture products as per standard specifications.

## Milling Technology

### RRM is equipped with all the latest technology. Some of our noteworthy equipment are:

- 1) Automatic Paddy cleaning unit.
- 2) Automatic paddy drying unit.
- 3) Paddy husking unit.
- 4) Rice Processing units.
- 5) Rice polishing unit, including mist/Silky
- 6) Rice Grading unit.
- 7) Latest Technology color sortex machines

## Qualities of Pakistani Rice

Pakistan produces different qualities of Basmati and Non-Basmati rice. Almighty Allah has very graciously blessed Muridke & Kamoki with rice and fertile land. This area is irrigated by biannual canal and the nature of soil is called calcareous having water holding capacity for longer period. As such rice grown in this area is healthy, aromatic and soft. Processing of rice involves the procedure of Drying, Husking, Polishing and Grading. After threshing of paddy two different type of rice like Parboiled/Sela and Brown/White rice are obtained.

## Edible Salt & Salt Products

Rifino Foods also engaged in delivering our best quality Edible Himalayan Salt and salt made products like lamps, soaps, decoration pieces, and supplies all over the world on timely basis according to customer's requirements. We measure our performance by quality of services.

## Spices

Rifino Foods have been an integral part of every cuisine since ancient times, adding flavor and fragrance to it therefore we offer products that are hygienically packed, and well-known for quality, purity and value.
